Collegiate Quarterly

TEACHER'S GUIDE

To take your Sabbath School class to the next level, use the *Collegiate Quarterly Teacher's Guide*. Written by various teachers with young-adult experiences, this resource includes:

- Additional Bible study helps,
- Illustrations and stories,
- Supplemental teaching materials,
- General-purpose and directional cues,
- Reproducible activities,
- Mock scripts, and
- Discussion questions.

Getting the Most Out of CQ

FACTS YOU SHOULD KNOW

CQ is based on the conviction that the Word of God offers transforming power and that group study is one important way to tap into that power. CQ's purpose is to provide Seventh-day Adventist young adults with a resource for devotional study on mutual topics, which can then be discussed each week in Sabbath School. Many who use the *Adult Sabbath School Bible Study Guide* find that because CQ deals with the same topics, it enriches lesson study and discussion as a supplemental aid.

About four hundred Adventist young adults contribute to CQ each year. The wide variety and occasional repetition of the content reflect the great diversity of its contributors around the world as they respond creatively and individually to the subject.

POINTERS FOR STUDY

1. Through prayer, open your mind to the Holy Spirit's guidance as you study.

2. The Bible passages on which each week's lesson are based appear in bold type in the "Logos" portion of the lesson. Read these entire passages.

3. The Bible passages for the week are usually divided into sections on the "Logos" pages. When studying these sections, carefully reread the Bible passages indicated in bold headings before reading the comments beneath the headings.

4. Read the other sections for the week with the perspective you have gained from your own study of the biblical passages.

5. Keep in mind the purposes of each section of the Bible study guide: **Introduction** is designed to stimulate your interest and focus your thinking on the week's theme.

Logos is a guide for direct study of the Bible passages for the week.

Testimony presents Ellen White's perspective on the lesson theme.

Evidence approaches issues raised by the lesson from a historical, scientific, philosophical, or theological perspective.

How-to discusses what the abstractions in the lesson mean for day-to-day living.

Opinion is a personal viewpoint on the lesson meant to encourage further thought and discussion.

Exploration provides the reader with a variety of open-ended, creative ways to explore the topic of the week's lesson.

CQ AND THE CHURCH

CQ is the General Conference-approved Bible study guide for the young-adult age group. It upholds the beliefs of the Seventh-day Adventist Church. However, its contents should not be regarded as official pronouncements of the church.

*This Quarter's **Illustrator***

Evan-Zane Green was born and raised on the island of Jamaica, but moved to Maryland nearly five years ago. He is currently studying graphic design at the University of Maryland and wishes to pursue further training in the field of illustration after he graduates. When he is not working on a design for a project, he enjoys skydiving, watching movies, playing board games, or just reading a book.
